I am studying in the strictly-disciplined Long Feng Private Academy,
where private planes and the school's cable cars are the only modes of transportation.

HEY!
ARE YOU DONE KNEELING DON'T BLOCK THE ROAD!
YES! PLEASE WALK SLOWLY AND COME AGAIN!

Without the Academy's documents
no one can receive outside communication,
or enter the restricted area

Those who enter without permission are viewed as voluntarily withdrawing from the Academy.
And their safety will no longer be part of the Academy's responsibility.
But the Academy's way of doing this is pretty stupid...
By forbidding people from entering, nobody would enter. To tape off the area...
NOT ENTERING IS JUST WRONG!

Restricted areas are restricted for a reason
which is because there were people lost

At first, I thought this was a beast's nesting cave.....
But not only does the cave not have any stench...
Rather, it has this sweet perfumed scent. Is it some kind of ancient tomb?
